

BALLOT RECOMMENDATIONS FOR TAXPAYERS

The Howard Jarvis Taxpayers Association takes positions on issues of direct concern to taxpayers. We also may take positions on ballot measures that will impact the economy. This is because, as taxpayers, we know from painful experience that when the economy turns sour and tax revenues go down, government's first reaction is usually to reach for the taxpayer's wallet.

WE RECOMMEND:

Prop. 30 Tax Increase

VOTE NO!

Prop. 32

Limits special-interest
campaign contributions

VOTE YES!

Prop. 38 Tax Increase

VOTE NO!

Prop. 39 Tax Increase
