# "STOP SCAPEGOATING PROPOSITION 13" PETITION

PETITION NUMBER: 0221200877777777

To: My State Senator, my State Assembly Member  
And the entire California State Legislature

**WHEREAS:** Despite widespread propaganda and scapegoating, Proposition 13 is NOT to blame for any shortage of affordable housing. Any weakening of Proposition 13 would make home ownership less affordable throughout the state.

**WHEREAS:** Readily available and indisputable economic data prove that Proposition 13 is NOT responsible for any financial shortfalls in California's local governments. California budget problems are caused by overspending and mismanagement. We pay in the top tier of every tax category nationwide, including property taxes.

**WHEREAS:** The vast majority of California taxpayers want to keep Proposition 13 intact, as proven repeatedly and overwhelmingly at the ballot box, most recently by defeating the Prop. 15 "split roll" last year.

**THEREFORE BE IT RESOLVED:** That I (we), as voter(s) and Member(s) of the Howard Jarvis Taxpayers Association, petition you as our elected representatives to reject any legislative action that threatens the letter, spirit or intent of Proposition 13, and to listen to and support the Howard Jarvis Taxpayers Association's efforts on our behalf.
